Photos from the September tour of the
UW Madison Hamel Music Center
- Submitted by Lynn Javoroski

Welcome back from a very busy summer. I have been elected your new president and am honored to lead this great chapter for the next 2 years. First, I want to thank Owen Landsverk our past president for the excellent job he has done in leading us these past 4 years. I'd also like to thank all of the board members and staff for giving of all of your time.

Will it ever stop raining, I think all of us have been affected in one way or another with all the rain and flooding. I know that many construction sites have lost a good amount of time due to the rain events thus far. This has put more pressure on production in the field.

Many of you attended our September joint tour with AIA of the University of Wisconsin School of Music. What a wonderful venue for music at the university. The building is a ways from completion, but we saw the inner workings of how the acoustics were developed and installed. This will be a great building when it is completed. Thank you to Curt Norton for setting up this tour. I believe we had nearly 50 people attend the tour.

I am looking forward to our chapter meetings, presentation of new ideas and tours. We have a lot of exciting things planned for this new year.
