## Season's Greetings!

As you may have noticed, the holiday season is around the corner. I hope that you and your family are safe and in happy holiday spirits! I want to take this opportunity to thank you all for your hard work and dedication to our chapter's mission during this unprecedented year. We are holding a [Virtual Holiday Party](#) via Hopin' on Thursday, December 03, 2020, from 5 pm CST to 6:30 pm CST. Please dress in your best ugly sweater, so everyone gets into a festive mood. I hope that all our members are able to find the time to come celebrate with us and share some holiday cheer.

As part of the holiday festivities, the chapter will be holding an [online raffle](#) that will benefit the [CSI Chicago Foundation](#). If you are not able to attend the holiday party please still participate in the online raffle which includes prizes such as Apple Air Pods, a Ring Doorbell, a Yeti Cooler, and more. The Social Committee has planned a fun night that includes a virtual scavenger hunt, a fun challenge, and prizes that are sure to get you excited for the holidays.

Thank you again for being the best members one could ask for. Your energy and persistence has driven our chapter to new heights, and I greatly appreciate it.

Happy holidays!

## Share To Stay Connected

**It's more important than ever right now.**

CSI Chicago is not a name or a logo, it's all about you, our members! Our members stay connected by driving the content of our newsletter, website, email, and social media.

Right now, we are in need of content and if you are anything like us, you are in need of ways to stay connected. Please give us a few minutes to contribute and stay connected. By submitting things like a **member spotlight Q&A**, **sharing a project** your firm completed, or **recommending an article**, you get featured.

## New Year... New Change Order Newsletter Format

The January 2021 Change Order Newsletter will be delivered to your email inbox and will include all of the same great member content you have come to expect but it will have a new format and look. The content will be delivered in the body of the email versus clicking on a PDF.

The goal of our new Change Order format is to provide members with a quicker more concise way to review the content and click to learn more about the content they are interested in on our [website](#) and [member portal](#).

## CDT Scholarship Opportunity Application Due 12/11

Our CDT Scholarship is an opportunity for a student or emerging professional to obtain their CDT certification and become a chapter member on us. Please take a moment to recommend this opportunity to someone you know.

Applications are due December 11, 2020.

## NCR Member Relief Program

The CSI North Central Region established a grant for NCR members who are suffering financial difficulties, but want to remain in CSI. Each grant recipient will receive reimbursement of their Institute dues (\$275 for a professional member). Members are still responsible for paying their chapter dues.

Please [download the member support request form](#) for details and to apply.

## Member Meet & Greets

Our Membership Committee is hosting a complimentary virtual member meet and greet to help members get the most out of their membership. These monthly member meet and greets are informal zoom discussions for up to ten members to participate in each session.

## Virtual Mock-Up Tour of Masonry, Ventilated Rainscreen, & Tile Assemblies

### Virtual Program

December 1, 2020 from 12:00 PM to 1:30 PM(CT)

**Jeff Diqui, CSI & Scott Conwell, FCSI, CDT, FAIA, LEED AP**  
Directors of Industry Development and Technical Service  
International Masonry Institute

This virtual tour will review and discuss details of a variety of large-scale, masonry assembly mockups including:

- Brick and block cavity wall drainage assemblies.
- Structural masonry assemblies.
- Back-ventilated rainscreens, including terra cotta, porcelain tile, and engineered/natural stone.

We will examine each assembly to review:

- Related components.
- Functions of the components.
- Interface detailing.
- Moisture and movement strategies.

The tour will also include training and certification mockups for critical tasks in ceramic tile installation including large format tile, membranes, shower assemblies, mud work, grouts, and gauged porcelain tile.

## Member Meet & Greet

### Virtual Networking

December 11, 2020 from 12:00 PM to 12:45 PM(CT)

Our virtual Member Meet & Greets are where you can get to know more members and get answers to questions you might have about the association and our chapter. Led by our knowledgeable Membership Committee, these are informal discussions held via Zoom Meeting for up to 10 members. We understand it can be challenging navigating your way through CSI Chicago, so we are offering these informal virtual meet and greets to help you get the most out of your membership.

*This event is limited to current CSI Chicago Members only. Attendance is complimentary with your membership.*

### EVENT REGISTRATION

## The ABC's of CDT® and Beyond: A CSI Certifications Guide

### Virtual Program

December 15, 2020 from 12:00 AM to 1:30 PM (CT)

Presented by:

- **Paul Fogarty**, CSI, CDT® - SJ Mallein & Associates
- **Alan Itzkowitz**, FCSI, SCIP, CDT®, CCS, CCCA - ABI Specifications Consulting
- **Elias Saltz**, FCSI, CCS, CDT®, SCIP - Conspectus, Inc.

The Construction Specifications Institute (CSI) offers four different certifications to the construction community:

- Construction Documents Technology (CDT®)
- Certified Construction Specifier (CCS)
- Certified Construction Contract Administrator (CCCA)
- Certified Construction Product Representative (CCPR)

This informational session will be given by the CSI Chicago Certification Committee and review the ins and outs of earning each certification. Program presenters are holders of multiple certifications, past exam developers, and CDT® class instructors. They will each speak from their personal experiences on the path they followed to certification, and how earning CSI certifications have impacted their careers.
